Lent – On Fasting (Full article: <http://www.padremused.com/2017/02/19/the-season-of-lent-reflection/>)

When we speak of fasting, we are fasting not because we want to torture or punish our bodies, and fasting is not meant to be used as an excuse or a means to lose weight. We fast because we want to thirst for God, and place God first in our lives. Fasting helps us reconsider our values in life, and guides us to reject and deny the lures of temptations, especially to satisfy our own wants. Fasting sets us free from greed, and makes us more sensitive to the needs of others.
