

## SOP FOR IN-PERSON BEC HOME GATHERING

1. An airy space should be preferred to an indoor setting if indoor setting cannot be avoided, ensure that there is good ventilation (opened windows and doors). Avoid using air- conditioner.
2. Try to limit the number of participants according to the size of the house / space. Avoid crowding.
3. Masks should be worn during the entire gathering.
4. Please ensure that you are sufficiently distanced from other persons, if this is possible.
5. Precaution needs to be taken when food is served at fellowship. In accordance with the Chancery Notice dated 31/5/2022, “Where meals are provided at meetings or gatherings, packed food is recommended. Where gatherings involve only a small number of people, it is encouraged that the food is served in open spaces or large rooms with good ventilation.”
6. The length of the gathering should not exceed one and a half hour.
7. Please take additional precautions to protect the most vulnerable in your company – the elderly, those with more than one co-morbidity, those not fully vaccinated etc.
8. Please remind members that if anyone has come into close contact with another person who has tested positive within the past 7 days or is displaying some symptoms, please avoid attending the gathering.
